Re: Cornell-Dubilier Electronics Superfund site
South Plainfield, New Jersey

Dear Mayor Gallagher:

Thank you for your letter of October 9, 2002 to Jane M. Kenny, the U.S. Environmental Protection Agency (EPA) Region II Administrator, which has been forwarded to me for reply.

As you are aware, EPA's commitment to redeveloping Superfund sites is serious, and we believe that the redevelopment plans that were adopted by the South Plainfield Borough Council provide an opportunity to enhance the beneficial use of the Cornell-Dubilier Electronics Superfund site.

EPA looks forward to meeting with you to discuss the current status of the Remedial Investigation and Feasibility Study for the site. Please have your office contact Mr. Peter Mannino, the Remedial Project Manager, at 212-637-4395 to schedule a meeting in South Plainfield between EPA representatives and your office.

Sincerely yours,

for George Pavlou, Director
Emergency & Remedial Response Division
